On Saturday, September 12, the township celebrated its first annual Huron Township Historical Day, and it was a smash!

The Historical Society, the Historical Commission and several organizations within the township combined their efforts to pull off a very well organized and successful fundraiser and "fun raiser."

From the hours of 9 a.m. to 2 p.m. volunteers from several organizations stood on the street corners and passed out the "Ye Olde Village News" for donations and was able to raise over \$1,600 that will be used to assist the historical society

in its desire to restore the historical home.

The volunteers dressed up in some type of historical garb and was able to raise the curiosity of many motorists - some of which took the opportunity to drop by the "house" and partake of the festivities.

The Rotary Club, The Huron School District, the Huron Township Board and the Historical Commission each "adopted" an intersection and toiled under the hot sun to insure that the township had a great day.

Working for the Rotary was Cyril Bird, Jarrod Barron, Willie Williams and Ken Moore.

Working for school district was

(L-R) Frank (you must pay the rent) Brown and Larry O'Kelley.

Mary Cast, Ruth Miles, Denise Miller-Spicer, Wendy Nitzkowski, Joan Otter, Diane Peterson and Diane Schalk.

Working for township board was Jim and Susie Mason, Nora Adkins,

Scott Adkins, Norm and Kathy Kohlstrand and Jack McBain. Jack just happened to be walking by and was recruited for a few hours.

Once again the Huron River provided the perfect setting for the 5th annual Riverfest. The weekend weather was perfect for festival patrons to stroll the midway or just

enjoy a shady spot along the river's edge.

Many vendors were available to satisfy all of the various impulses we all experience. The charitable volunteers were providing raffles and helpful services for area youth throughout the year.

As I strolled along the midway my various senses began to overwhelm my self control. I really struggled to keep my mind on the business at hand.

My first stop was the American Legion booth where Commander

Letter to the Editor

To the Editor:

This letter is in regards to your Wednesday, September 2, 1998 article "Citizens Challenge Bus Route Changes." First off, the so-called committee was the Board, it wasn't a committee formed by the Superintendent. The three streets, Springhill, Isabelle and Harriet are not dead ends, they are underdeveloped streets with no outlets. There should be three streets that run between them which are Wisconsin, Illinois and Carter. Your article never indi-

cated anywhere that the concern that the parents had was that King Road is a 55-mph road with no street lights and the parents feel that it's a safety issue.

The DPW verified that all three roads are exactly the same width across. It should also be brought to the attention of the public that the parents are willing to work with the Superintendent and the board to do what needs to be done to Isabelle and Harriet so the bus can go down those streets. Both citizens on Isabelle and

Harriet were also willing to waive any property damage and move mail boxes and extend driveways even further so the bus wouldn't have a problem with those streets.

Also not one of these streets is asking for door to door service. Our concern is the safety of children waiting on a 55-mph road with no streetlights for a school bus.

Sincerely,
Staci Garton

To the Editor:

Thank you again for the nice article you wrote for your newspaper.

I am pleased to report that as a result of your past article, other papers have done articles as well. Which resulted in one of the former mayors for the City of Wayne (Mr. Pat Norton) stopping by and asking if we would mind him putting the same clock in the City of Wayne. I also received a call reference interest from the City of Romulus.

Thanks again for your friendly support!

Sincerely,
Peter J. Glaab, Jr.

When You Use

Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** - Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. Walter Barron and Keith Gardner provided me with information about their various contributions to youth in the area. Every year they invite third and fourth grade students to join them for a day at the Shrine Circus where they are treated to the show, popcorn and sodas. This year they are expecting to host over 500 children. The Flat Rock chapter is also hosting a free dinner to all veterans and their families on Veteran's Day, November 11, 1998 from 5-7 p.m. They were also helping the Rotary with the Harley-Davidson raffle. I have to admit that I couldn't pass up a chance to win, so I bought a few tickets.

The next stop up the mid-way was with the Flat Rock Area Little League where President Bill Hooten and staff were hard at work taking donations for their organization with a top prize being a pair of Red Wings tickets.

Directly across the mid-way there was a very special booth. The "Run for Ryan" was dedicated this year to a very beloved young athlete. Ryan Sergeant, a Flat Rock High School senior and member of the cross country team was training with his teammates when he collapsed and died. His family and friends wanted to dedicate a living memorial that exemplifies Ryan's compassion

problem is that comfort foods are typically heavy and loaded with calories. I hope to produce recipes that will satisfy your warm cozy feelings as well as your waistline.

Normally Swiss Steak needs to simmer all day to make the steak tender, but my way takes 45 minutes from beginning to end, the meat is just right and you will use a lot less of it.

I like hearing from you, so

remember that you can write me at The Huron River Weekly if you just want to comment on my recipes or if you want to have your favorite dish made lighter, I may be able to help.

School Board Revisits Bus Stop Issue

by **LARRY O'KELLEY**
Freelance Writer

At the September 14th school board meeting, the board again was confronted

with the issue of discontinuing bus stops down Isabelle and Harriet streets. Two citizens from this area addressed the board and advised they had spoken to the Huron Township

DPW Director and he assured them he would be willing to work with them to improve the street so bus traffic could go down the streets.

To this, Board President Chaulk added that the district would be willing to write a letter to Wayne County to see what could be done to either widen the street or extend it. However, as the road is presently constructed, they would not allow a bus on travel down the street.

At the last board meeting, over an hour was devoted to three streets including Spring-

hill with Isabelle and Harriet. Eventually the board was able to agree with resuming bus service down Springhill after a suitable turnaround was presented. However, the board was unwilling to reconsider Isabelle and Harriet streets.

The citizens expressing their displeasure with the board, reminded them that the speed limit was not posted on King Road. This meant that 55-mph was considered legal and they considered this too fast and unsafe. They also were concerned about the nature of the dirt road without sidewalks for the students to stand on when waiting for the bus. To this several board members as well as audience members remarked there were

many dirt roads in the township without sidewalks.

In other board matters, the Superintendent gave high praise for the completion of the athletic facility. He reminded the board of the dedication ceremony that was scheduled for Friday September 18 (because of our deadline we will cover this event in our October 30, 1998 issue).

He was particularly proud of the fact that much of the work had been completed by former Huron graduates and ex-athletes of Huron. Many of them will be on hand for the dedication Friday. The Superintendent also had high marks for employee Arnie Lewindowsky for his hard work on the project.

mission was Percy and Helena Lilly, Connie and Emil Krzyske, Larry and Edna Kittle and Bill Magahey.

Special thanks is given to historical society members Frank Brown for his monitoring the corners and taking care of the money, Barb and Lou Gibbs for the use of their building for "the counting," Chef Ron Reininger and Cheffette Maggie O'Kelley for the food and service. Ron

donated the food and served the food all afternoon.

Special thanks to historical members Alice Sheets (AKA Apple Annie), Judy Reininger and Myrna Courtds for their cordiality as greeters at the "house." We also have a special thanks to Jim at the New Boston AC who was kind enough to display American flags all down the main street of New Boston.

Special thanks to Dennis Pustelek for his American Indian display and to Mike and Sharleen Mykeloff for the Revolutionary Era display and the cooked stew over the open fire. Mike and Sharleen had two young helpers Kaitlyn and Meaghan Rhoades who remained at the fireside and were a big help.

Lastly, we would like to thank Sandy Johnson of Dosans for the donation of the

period clothing and for her support of community projects throughout the years.

Several citizens brought dated material for review by the visitors and considerable

discussion went on about the literature and little-known facts. As expected, oral history played a big part in the exchange of information.

and dedication to helping others. I chatted with spokeswoman Diane Moyer about the details of this year's race. This year they are expecting 250 runners to share the course for a one-mile run and an eight-K (five-mile) run.

The other side of the river provided entertainment as well as education. The Flat Rock Police Department reserved a whole block dedicated to safety and learning. Games for kids ten and under were keeping the dedicated officers busy all day. Among some of their

activities were a "Know Your Street Signs" bean bag toss and a simulation of driving drunk with "Fatal Vision Goggles" which gave the feeling of having a blood alcohol level of 1.5-2.0.

The Riverfest jail was filling up rapidly. One jail bird Randy Ruppel a Riverfest staff member was incarcerated by his daughters Katelyn, Courtney and Jessica along with Brian Daugherty. The faux felon was detained until his wife Kim sprung him from the joint. Randy dedicated his bail donation to Motts Childrens Hospital.

Operation Lifesaver was there to provide safety educa-

tion about railroad crossings and with all of the tracks in our communities we all could use this valuable information. Special Agent Gary D. Wilson and assistant Barb Izsak provided a wealth of data. Special Agent Wilson is available to meet with your group. E-mail: wilson38@cn.ca or phone

734-783-4679.

As I made my way up stream I came across the Huron River Fishing Association. they had quite a large display and trout pond for their "Kid's Fishing Derby and Big Fish Tournament." Association President Earl Kiser was very pleased with the partici-

pate in the "Pathway To Fishing" a one-hour class that drew 20 and the "Kid's Fishing Derby" that brought 30 junior anglers. Mr. Kiser also gave a detailed description of the Flat Rock Fish Ladder. It was easy to understand with the aid of the scale model they had on display. The fish and water fowl couldn't have a better organization on their side.

The beautiful weather enticed many classic car enthusiasts to exhibit their fine machines and allow us to dream and reminisce about being back in the day. I noticed a lot of the younger generation peering at these beauties in awe the same way that we did when we saw them for the first time. It's nice to know that when it comes to cars the generation gap is very narrow.

I think that my willpower held up well under all this pressure. I made it through on the way in, I will be safe if I take the sidewalk, behind the booths - not! I was almost out of the danger zone when Chef Kenny Frzier opened his barbecue grill filled with saucy, spicy, gooey slabs of ribs and I lost all control. The ribs at Shirley's Backyard Barbecue were the piesta resistance.

Wow

Continued from Page 5

Particularly when Edna Russell, formerly of New Boston paid us a visit and "sat a spell" on the porch. Edna was a childhood friend of Mrs. Adam Smith who once lived

in the historical house as a young lady.

It was a special moment when the historical porch came alive with memories and lively discussion about the past days of our township. It was a moment that most of us will not soon forget and we look forward to next year.

(L-R) Nora Adkins and Myrna Cordts.
